Alumni Members (1969) of the project

The Victoria High School Alumni Association is indebted to the generous alumni who spent hundreds of volunteer hours scanning Vic High Camosuns so they can be more easily searched by the dedicated Alumni volunteers who manage the school's historic archive collections. The Vic High Spirit is alive and well and always will be.

VIC HIGH HALLOWEEN SPECIAL

Halloween is a time when you're allowed to pretend you're something you're not. This year, the leadership class organized a costume contest for the week of Halloween. Themes for the week were clothes through the decades: from poodle skirts, to bell bottoms, to whatever was clean, but sometimes wasn't, ie the 80's. In this page, we feature some of the most creative entries.

Super Brooke, aka Brooke Gallupe, takes off to undo the injustices of the world.

Matt Barnard, shakin' it for the camera as Little Bo Peep on Halloween Eve.

Jeff Drew, looking awfully sexy, grabs his @$$.

Sam Albers eyes Brooke Gallupe's chest, while Duncan Gidney shows his patriotism as sailor, and Marcus Jamin and Mike Croy look on.

Marcus Jamin celebrates his 70's day win with his prize: a gooey duck.

Joey Zemanuk hits the floor, bustin'-a-move, B-Boy style for the Halloween costume contest.

Maude puts a chokehold on a 60's hippie. Re-enacted by Liz Reed and Brooke Gallupe.

Thor Kell, Linus Wellander, Duncan Gidney, A.J. Jaffar, Bushan Crossman, Matt Barnard, Mike Croy, Brooke Gallupe pose during the costume contest judging.

Linus Wellander and Kara Ronse engage in a Prehistoric Mating Dance.

Matt Drislane, Sam Albers, Marcus Jamin, Kate Maurice, Erik Carlson, Willis Lombard, Joey Zemanuk, kickin' the mad 80's rap flava' as the only group entry in the Halloween contest.

Arts and Entertainment

Vic High is full of many talented artists. A visit to the art room is like stepping into another world. A world of colorful delights and sensory overload. All the colors of the rainbow are represented: from brilliant blues to radiant reds and everything else in between. Vic High students fill the room with paintings, drawings, sculptures, photographs, pottery and anything else you could dream of. This page is just a mere sliver artistic talent at Vic High .

Nostalgia Part 1

Yearbooks are a part of us all, they let us remember all the friends, the cars and the quotes. The following are from actual yearbooks. Enjoy!

Ken Brown: "Biff" listens to heavy metal and like fast cars and girls. While waiting for Miller time to come, he would like to say, "Let's party".

Karen Chattaway: "Wheaties give high energy" to Karen, also known as "McDuff". She is waiting for the day when there will be rapid transit to Hope and honest politicians.

Natalie Rogers: Without love in her life, Natalie turned to music to soothe her pain. All are invited to Natalie's year end party. RIP Tupac.

Ron Connolly: Taking a break from making Triple X features in the future, we can expect to find Ron behind a set set of drums, getting his frustrations out, and trying to spread hard butter on toast.

Martin Duhammel: Shooting pool and playing poker are Martin's favorite pastimes. Eventually he would like to buy a motorbike and "Ride off into infinity"

Gary Campbell: "Cheeseburger" says he admires Gumby and George Jetson, but wouldn't mind being the leader of the USSR. Good luck commarade Campbell!

Abe Gibson: "Buckwheat" says "Stop democracy while you still can. Vote Communist in '89". We'll miss you, Abe.

Nostalgia Part 2

Do you remember these great write ups from 1986?

Rich Ordell: Rich's Pet Peeves are having to climb stairs, having to walk to the street for a smoke and the old coke machine. Rich also hates mondays but enjoys early dismissals. This Aries future ambition is to free Afghanistan from Communist takeover. His message to undergrads is "Help fund the contras to liberate Argentina!"

Shelly Baillie: "Shell" likes pizza and champagne. Her favourite groups include Exodus, Metal Church and AC/DC. Shell's most embarrasing moment was when she smashed her moms car. Her message to undergrads is: "Grow your hair and listen to Slayer!"

Mike Feschuk II: "King Oscar's" pet peeves are obnoxious people. This Leo enjoys caviar Vodka, The Electric Prunes, The Blue Moscosand the warm fourth floor.

Dawn-Marie Sharp: This Scorpio's future ambition is to own her own buisiness. Exodus, Motorhead, and Slayer turn her on and her message to undergrads is:... "Bang your head and quit while you're ahead"

Steve Johansen: Steve's pet peeves are preppies. His hobbies are going to Hawaii with the Young canadians, his favourite band. Steves future ambition is to hijack a trident submarine and take over the peruvian coast.

CHESS AND CAR CLUB

MUCH

Tamara and Mike jam at an R&B practice.

Music at Vic High is a lot of fun, particularly in our one-of-a-kind Rhythm and Blues Band. Although auditions for the band took a long time to get through, the end result was a group of great musicians making great music. This year they performed not only for Victorians, but for a visiting Vancouver school.

Liz Reid and Melody Wang audition together for the place of Ginger Spice.

The Senior Girls Basketball team, the Tigers kicked some butt this season. Their games were full of laughs and they had tons of fun! Thanks to all the spectators who came out to cheer them on and a special thanks to Mrs. Nordstrom!

FIELD HOCKEY

The Vic High Tomahawks represented the school very well this year. They placed third in league play which took them to the the Islands Championships. Their first game put them up against their league rivals, Mt. Doug., which they lost. They bounced back, tying the next two games and winning the third. They lost the final game which gave them a standing of 6th place on the island. Well done Ladies!

Tanya Fritz, Lindsay Mitchell, Kendra Pohl, Jas Bamra, Kim Le, Dorianna Chessa, Lianne Charlie, Katie Hughes, Kelsey Nemic, Kari Jupe, Tracey Dinh, Erin KingBrown, Serena Lee, Thoa Le and Tarr Tatyunth. Your '98-'99 girls field hockey team.

Go Katie, go, whip that Oak Bay butt! Katie Hughes brings da ruckas during a game against rival Oak Bay.

Careful, don't go out-of-bounds! Lianne Charlie busts down the sidelines on the offensive.

Lets go Tomahawks. Thoa Le blows past the opposition andTracey Dinh follows in hot prusuit in case Thoa needs a hand.

The girls Field Hockey team gets crazy and relaxes. Matt Stewart gives a 2 thumbs up for thier win.

Boy's Soccer

The boy's soccer team quite well this year. They made it to the semi finals of the colonist cup. They also were forth in the islands.

The team warms up for another game.

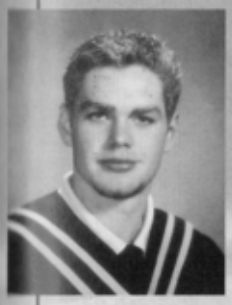
To all my friends I'd like to say "Create the kind of self that you will be happy to live with all your life." To the Class of 1999 - "Anyone who stops learning is old, whether at 20 or 80. Lords and good friends, the three rings of binding have fallen releasing a plague upon the lands. For I am tired, I am weary, my sleep is the sleep of beyond dreaming. I guess I'll see the rest of ya in teh real world, cause I'm outta here. Peace 4 life.



NATHANIEL GREEN

The teacher says "Tell us something about yourself that we would like to hear." What I'm wondering is what do you (the general reader) want to hear? Why should I give a flying duck? I don't really know what I want to do. Maybe something that I don't really know what I want to do. Maybe something that combines mixology, Politics, and hitchbiking. Oh, I know now what I can tell you.I will share discovery of mine which deals in deep true and philosophy.

SHYLO GRIFFIN

Thanks to my parents and friends who stuck by me and helped me overcome so many obsticles! Kim, Amy, Amy. A, Alexis, Caroline, and Lisa (for waking me up every morning). Denise and Laura (Blondo) I'm glad that we've come along so far together. Thanx to all of those teachers who did not give up on me. Joel, thanx for our many talks. Overall I'm relieved to finally get out of here. Good luck to all the Grads. Bye.

GREG GUNN

When we leave High School we will enter a world full of greater challenges and opportunities. Some of us will have a hard time getting started in this new world around us, but with a little dedication, hard work, and perseverance, we can all succeed. Peace, Love, and Joy to all my friends. See you all in the new world.

JASON GURGAL

Is it graduation time already? Well, these last years have flown by fast. There have been good times and bad times, but mostly good times. It has been awesome here at Vic High. I want to thank all the teachers for all their help. Good luck to all my friends, you know who you are. Special shoutout to the boys, O.P! and of course my best friend B.R. Good luck to everyone, I'm going to miss Vic High.

CHRISSY GYTE

Crizzotch, porker. As a General rule never let Brooke cut your hair in a bathtub. Muggers in Mini Van. Zoe you will always be a Core Punk. Kyle and Jurassic Lizard face. LOGGER. Jump into my huptee babe Shmammber come get your paper. Will I always fly solo? I NEED A FREAK. Sweat Gremmie Moey how about those Albabian women. Spaztic Vicki how sweet out times were together. Quit it Brooke. Love ya Taya. Love ya Jodi. Taters is phat. 123 Change the subject. Thanks to all my friends for the laughs and support.

PAMELA HAMILTON

Pamela would like to thank everyone who made it happen.

THERESA HARRIS

I've finally done it before the end of the mellinium! I would like to say a very special thanks to the one I love J.B. Thanks for pushing me everyday and putting up with my crabiness. I would like to thank my parents for being there for me over the years. Thank-you to all the self-paced teachers for making me feel wanted. Thanks V.D, ha ha one more year, I won't forget the many talks in the park. My words of wisdom to future grads "don't ever give up on you dreams, they are within reach!"

ZOE HARTLEY

Waking up in lake this sucks....oooh! The good times. Wrestling. Lounge singing. Right on. Love and thanks to everyone who made it matter. Gotta love a Caribeaner seat belt. Way to go Champ!

TYLER HARVEY

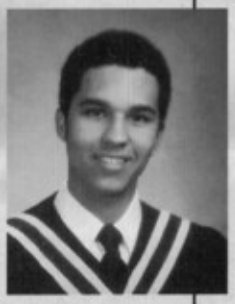
CAPP is-seminiuk. After 12 years, it is now time to move on. To my family and friends, I thank you for you love + support. To Vic High and its teachers, I thank you for guiding me and helping me realize that my true passion lies in music. (R&B =fun times)> In regards to the future, just remember what a wise musician once said, " I can't believe that we would lie in our graves wondering if we had spent our living days well on dreaming of things that we might have been." -Dave Mattews. Finally to A. Kitty B. Love ya forever.

GIDEON HAYWOOD

As the last few moments of youth slip from me it's hard not to laugh as I think of the rest of my life. Working in a job I hate living in a house that put me in my hated job and no hope for a stable future. Oh what a wonderful world it is. Ohh yeah rap/hip hop is not music. It's people talking to a back beat and that takes no work at all.

IRA HENRY

Ira had difficulty getting her grad write-up in on time so we're not sure what she would like to have said, but probably something like: Vic High Rocks.



ALI HEWITT

"Living? The servants will do that for us."
-Phillipe-Auguste Villiers de L'Isle-Adam

NICALA HICKS

It feels good to finally be put in the graduating section of the yearbook. Larissa, I know we're not the three musketeers at SJ, but at least we're still together. You've kept my sanity. Amanda, you always keep me laughing and my memories alive. I love you both. I don't know where my future is headed but i know it's not down. To my lost friends and my lost loves-I'll remember all the good times, and to my new love-I look forward to our time together. It feels good to say goodbye to early mornings, excuses, and lost homework.

JAMIE HILL

Wuz up to all of my friends. First I'd like to say Vic High was fun. To Jackie M and all the others thanx for all of the sessions and hope to see you come back to upgrade for we can have more. Venessa we have to party. Shannon friends forever and we have to party and smoke B*$. NA, CT, MV, TK, JB, AS, BJ we have to party lots in the summer especially in Edmonton. Brent J. thanx for being a good friend when I needed it. I'm sorry if I forgot anyone! Candice I hope we stay friends forever. Nikk hope you have found that right man. If anyone moves away always look me up when you return. Our 10-yr. reunion will be a blast.

TRI HO

Tri wishes next year's grads the best of luck.

DAVID HOANG

Every step along this treacherous path has been an enlightening experience. From my first to my last step, I remember vividly in my memories. Every step along the way, I have fallen at least once, but every time I learned to get back up. Every fall was a lesson that helped me develop into a stronger person. Furthermore, every lesson that was taught, I still remember. Yet with a blink of an eye, this path has ended and a new one has begun. Thanks to all who have shared partially the path with me.

AMBER HOLMAN

Manhole Schmammber, Herbal Gypsy
Mental note: stop giving your number to strange boys. What boy does Chris like this week? Hmmm... as a general rule Sam's jokes suck. It seems I forever fly solo. Vicky, you're a spaz, Moey, you're a creton, we all know it. Shut up Brooke! Who's that fairy? Definitely not Kyle. Singing Mary Poppins tunes by firelight was fun, but I don't know about that creative cooking. C'mon Zoe, you'll like this tape. Do I ever leave the art room? Where's the party?

SARAH HOULE

Sarah could often be seen hanging around the art room where she put paint to canvas, and created many works of beauty, which makes the world a much nicer place to be. Thanks to the artist in everyone.

KIETH HOWIE

Kieth is happy to be graduating, and hopes everyone has as much fun at Vic High as he did.

SUJUAN HUANG

Life is great and so are you!!!

YONG KUAN HUANG

Thank you for being you.

KATIE HUGHES

Katie had a hard time writing for her grad write-up, so here it goes: She would like to thank Jackie McDonald for making sure Katie made it to school day after day, also a big thanks to Ms. Dowsling for no other reason then, why not. A big thanks also goes out to her two sisters for learning to share the telephone. She is eternally grateful to her dad because, well he's her dad, but most of all she would like to thank her mom for all of her un-ending support and love.

HAYLEY HURL

Celebrate we will
Because life is short but sweet for Certain
We're climbing two by two
To be sure these days continue
I'm only this far
And only tomorrow leads my way
--Dave Mathews Bandoman.

AMBER HUTCHISON

Let your bright eyes gleam
As you glance towards new days.
Let your smile beam
As you look behind to old ways.
Let your spirit achieve wings
As you take to flght.
And let your heart sing
As you soar to great heights.
Love to all my friends and congratulations to all past, present, and future grads. Keep your dreams alive and keep on smiling.

Don't put it off like I did. Thank you everyone who has made an impact in my life.

Our times hear have been short, but very sweet- Bio 11 study sessions at SH's house and late nights wandering the city with Lisa and Angie will saty memories forever. Ah, another year, another school, except who knows what comes next!? Not I! I shall always remember the Icy Suck and pizza runs (before he started hiding his wallet... You KNOW what I mean). The hallways rivalries and the terror of the wine bottle. So 'The Plan' was a failure... there's always Puerto Rico! J+S=LOVE!? We shall see. And now for something completely profound: But could youth last and love still breed, Had joys no date nor age no need, Then these delights my mind might move to live with the and by thy love.

KIM LE

ELIZABETH MEARS

So What's the Scenario? The time I spent at and not at Vic High was well, amazing. There was always an adventure around the next corner. From old people sucking to finding those things with Evan. Life is about living, have fun with it; even if that means random trips to Calgary or Bbbagels and Bbbrownies. Meg, hold on to your corners. 40 minutes, later and it's been anarchy for the last two weeks.

"Strange things are afoot at the Circle K."
"I see you tremble with antici---pation." In the immortal words ofCeline Dion, "You are safe in my heart, and my heart will go on---and on--and on"("how do ya like them apples?")Be excelent to each other, and party on dudes! Vic High Rules!!

LINDSAY MITCHELL

I thought that maybe I would write something profound and relevant. It would be eloquent and flowing, it would run, a river of words from my lips. It would contain traces of forgetfulness. It would be blind, and stumble into corners left undusted. I thought that I would like to write something that had more holes than matter, more empty space than curious content. It might contain me, keep me lined up and alphabetically ordered, so full of impurities that the heat would burn out before I did. I thought that maybe I would write something obscure and abstract. (But my mouth is full of awkward thank-yous and good-byes.)

MELODIE MORGAN

Melodie and her enthusiasm will be missed at Vic High. Best wishes.

BEAU MORIN

"History cannot be more certain than when he who creates the things also narrates them."

PAULA MORKEN

AES-love you babe-make sure you keep that Red Hot poker under control. PJH-does your ankle still hurt? You know what they say-never do Ballet on Hardwood floors while under the influence. LB-did Bob call yet? No? Don't worry, we can always drink martinis at Milestones to get his attention.
JR-did you take your pills? NG-don't make me watch Braveheart again, please! Mats-I love you!
Carissa, Carry, Hayley, Duncan, Mike #1, Mike #2-you guys rock my world! Robin-Thanks for the outdoors club trips and bear stories-scarred for life!

SHEENAGH MORRISON

Thanks to all the teachers who have helped me in the past two years.
I'm going to miss Vic High.

DUSTIN MOSHER

These last two years have been my most memorable.

SIMON MUNN

Five years of inconsistent work has come to an end and I now must sum it up with 100 words or less. I've met some people and learned some stuff but high school I've experienced never seemed to be the same as high schools in the movies. That has left me in a state of off and on depression. Maybe I've let life pass me by. Next year I've gotta pay for this stuff. But in all seriousness I've enjoyed my years here and good luck to all grads of '99 and all my friends.

BEN MUNSON

What's he thinking about now? Best wishes Ben!

VICTORIA MYACHINA

Vic High rocks!!! I spent two great years here. Teachers are great; Mr. Alexander, Mr. Poy, Mrs. Farago, and Mrs. Starr made their classes seem like a breeze. All the people I met were easy to communicate with and very understanding. I will remember Mr. Harrigan, school assemblies, and pancake breakfasts forever. Thanks for reduced Fridays-getting home at 2:00 PM was a real treat. Vic High made high school fun and easy!!!

RAJ NANNA

Raj enjoyed his time at Vic High and we wish him best of luck.

LAURA NEUFELD

That grin will be missed in the halls. Best of luck Laura.

DAN NEWELL

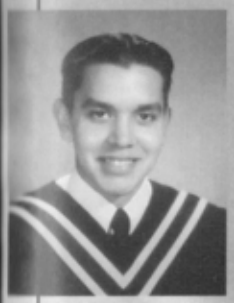
Thank God school is out 4-life, I'm glad I never have to come back again. I feel sorry for the grade 11's that do have to come back next year, and I am glad I don't have to see the divties ever again. I hope to see all my homies in the summer because every night will be a party for me. Oh yeah, if you're nivo, you're 4-LIFE!

KRISTY NA NG

Wow, I'm finally out of here! This school year has been very hectic. 4 provincial exams in one semester is mind-blowing! I enjoy Vic High because it is a multicultural and free-spirited school. In 20 years I'll look back and reminisce about the fun and unique atmosphere of school life. I plan to go directly into UVic and begin an 8-yr. Masters Program in Business and Commerce. I have accomplished many work and travel experiences this year. My goals in life are to be successful and to be able to travel around the world.

TIANA NIELSON

Her twelve years are finally over. Good luck in the future Tiana.



RYAN NICOLSON

Well, it's finally over! It's been a long 2 years, but it's gone by fast. It seems like just yesterday I was in grade 8 at Central. 2 all my friends, Thanxs 4 the help. It's been a blast! I'm gonna miss playing school soccer and trying to show off for the ladies. I'd like to especially give a big thanx 2 my boyz- MM, TL, LN, LS, DD, & LC for making my high school years memorable. Last but not least I'd like to thank my MOM. Without her help and support I would've never been able to get through it! It's been great! I'll never forget the times I've had here!

RYAN NIKOLAISEN

Pigs don't know pigs stink. People don't know what they don't know.
If we were to go down to the pig farm and look at the pigs we would say, "peeeu they sure do stink," but if the pigs could look up and smile they would.
Pigs don't know pigs stink. People don't know what they don't know.

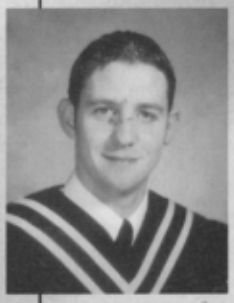
ROSEMARY NIXON

Rosemary enjoyed her years here and is glad to be graduating.



WESLEY O'BRIEN

Wesley is glad and sad to be leaving and I'm sure we'll miss him.

MARIE O'CONNOR

"How shall I go in peace & without sorrow? Nay, not without a wound in the spirit shall I leave this city. Too many fragments of the spirit have I scattered in these streets, & too many are the children of my longing that walk naked among these hills, & I cannot withdraw from them without a burden & an ache. It is not a garment that I cast off this day, but a skin that I tear with my own hands. Nor is it a thought I leave behind me, but a heart made sweet with hunger & with thirst."
-Kahlil Gibran
Watch for me with my silver pen & crooked eyes.

JEREMY ORREGO

The time was short but great
The absent sick or late
Provincials sports and bleachers
And the ever-dreaded teachers
People, every race and creed
Finally score the marks and are freed
All finished now with a sigh
As I leave good old Vic High
My memories and friends always mine
To remember the class of '99
"Thanx, Vic High"

To the "crowd": its been a slice my dears. Don't forget our lovely lunch time discussions. Now I just have one thing left to say...FINALLY! Goodbye Vic High. Goodbye all.

Anastasia enjoyed her time here and we wish her all the luck in the future.

ANDREA PRINZ

Had a kick a$$ time all year long. Kickin' with the girls at lunch, talking to 505 during DS, walking home with AB after school while wearing my super sexy hat and mittens etc. Drinking at L. TR's place was a blast and laughing at my Cinnamon stick for hours on end. Math and Acc.11 were always fun and weekends with G. Z. were the best ever. And last but not least, bowling with skillz and stink were too funny. LM: a day without snowboarding, is like a day on skis! P.S. Remember Mike: Drunken bowling rules!

BRUCE REBNER

Twelve years of school has finally come to an end. Vic High has been a great school. I want to thank all of the teacchers who put up with me throughout the years but especially the Vic High staff who made me feel right at home. As well as my family has given me tremendous support. During my stay at Vic High I made and kept many friends. You know who you are and I hope you achieve your goals. However I must include Jay, Skills and O-Park for always being there. Grads lets put the past behind us and welcome the future.

ELIZABETH REED

Purple hair, black hair, green hair, red hair, blue hair, no hair, pink...pink what? Yarsh. Yellow hair, not pink. Don't worry Aoife, we still make fun of you. I'm glad to have come so far with so little effort; its too bad I lost my brain at Central. Someone will find it. I love my bands, my cool friends, my horn dog(Serena), my mommy and daddy and my Big Red Afro. I mean Josh. I'll be your Calvin if you'll be my Hobbes; of course this means you'll have to tackle me every day.

JENNIFER RING

Now I have to enter the real world and get a job, that's going to be alot of fun. Have to say wuz up to all the TOTEMS, been together since Central, don't worry we got memories. Can I get a WHAT! "Away with us he's going,The solemn-eyed:He'll hear no more the lowing. Of the calves on the warm hillside. Or the kettle on the hob. Sing peace into his breast. Or see the brown mice bob. Round and. round the oatmeal chest. For he comes, the human child, To the waters and the wild. With a faery hand in hand, From a world more full of weeping than he can understand.

William Butler Yeakes

KURTIS RITCHIE

I don't know what to say but these two years have sure flown by fast. Vic High has been a school of choices. Too bad I didn't take advantage of the choices offered. It comes down to what you want to do with your life. By the end of my life I hope to have travelled to all the destinations. I hope to explore and find a career that I like. But most of all I hope to find happiness in whatever I do.
